

## Read the passage and answer the questions.

Visitors to our national parks get a brochure when they enter. Basically, it tells them three things. One, Canada's national parks are in most cases home to bears. Two, all bears are potentially dangerous. Three, if visitors use common sense, they will usually be able to avoid a confrontation with a bear.

- 1 Who gets a brochure? \_\_\_\_\_
- 2 Where do they get a brochure? \_\_\_\_\_
- 3 How many things does the brochure talk about? \_\_\_\_\_
- 4 Look carefully at the sentences in the above paragraph; how many **subjects** of verbs are there? \_\_\_\_\_
- 5 Find three **subjects** that have a **modifier**. When you find them, write them down in the blanks below:

Subject	Modifier
_____	_____
_____	_____
_____	_____

- 6 Now list all the other **subjects**, which **do not have modifiers**. List them on the lines below.

\_\_\_\_\_

\_\_\_\_\_

- 7 Find three **objects** of verbs that have a **modifier**:

Object	Modifier
_____	_____
_____	_____
_____	_____
