

TESL CANADA
Teachers of English as a Second Language - Canada

January 31, 2023

Happy New Year to all! I hope you passed a fruitful holiday season and are refreshed to continue your always impactful work with New Canadians and the community of other language speakers, educators, and administrators. I would like to thank everyone who was able to attend our annual general meeting in November. I am excited that we now have co-vice-presidents – Amrita Gill and Kathy Whynot! We also have several new committee chairs and provincial representatives. This fresh blood represents our nation from coast to coast to coast, and the grand mosaic of Canada. Our strategic plan is nearly finished and will hopefully be released by our next newsletter. We are also hoping to have some kind of in-person component to a TESL AGM in 2023 or 2024 so stay tuned. I know many of you have contacted me about this and I would like to let you know I have heard you and we will make the beginning steps to some kind of in-person conference or meeting in the next couple years. We are also trying to inform the Canadian TESL community of global job opportunities, not only Canadian ones. I hope these initiatives will serve you well.

May everything good and permanent flourish in your life.

Donald Moen

President

TESL Canada
