TESL Saskatchewan

Wishing all members Happy Holidays!
Merry Christmas and Happy New Year

Year-End Message:

What a busy fall season we've all had! The TESL Sask Board was also working hard with regular monthly meetings, event planning, and website review. We also welcomed Candace to our board!

This fall, there were two PD learning opportunities (learning disabilities, interactive books) and three member-engagement sessions (communication tips, language presentation, book discussion); we offered something for everyone with a variety of professional and personal themes. Watch for the upcoming PD needs survey and help us plan for next year!

In 2023, watch for more PD and engagement events, scholarship and bursary awards applications, and our annual conference and AGM. Make 2023 the year you get involved by volunteering with a board committee or presenting at the conference!

Enjoy the upcoming holiday season and see you next year!
